

the INFORMED SLP

Group membership:

Groups of 10+ SLPs may request a group membership (*smaller groups allowed with minimum purchase of \$300.*) All members of the group will belong to the *same* section(s), which may be one or more of:

Birth to Three (birth–3)

Adults (21+)

How do we join?

Fill out [this form](#) to request a quote. We'll need to know:

- how many SLPs are in your group
- preferred payment interval (e.g. monthly, every 6 months, annually, or one-time-only)
- preferred payment method (check, credit, or debit; note that checks are only accepted for annual or one-time-only intervals)

What happens next?

Then we'll build your membership! After payment, **you'll receive a link to email to the SLPs in your group.** They'll click that link and provide their own unique email and password for login. If your group has questions, direct them to communications@theinformedslp.com
